

YOUR LOVE REMAINS

Music and Words by Bazi Baker, Josh Isaac and Dan Sheed

We'll make a joyful noise
Let every rescued heart rejoice
Into your presence we have come with a song

Our good and mighty God
The one who made us in his love
We are your children and to you we belong

We'll enter your gates
With thanks and with praise
We'll pour out our song to bless your name

You're good, Hallelujah you are good
You're good, Hallelujah you are good
You're good, Hallelujah you are good
Always your love remains

Your goodness knows no bounds
Unfailing love in you is found
Your faithfulness and truth remain through every age
