

King Of Love

Dave Miller

No matter what I've done
No matter how I'm feeling
Whoever I've become
I am still believing that,
You are always enough, Jesus always enough,
You are always enough for me

No matter what's going on,
No matter what I'm fearing,
However far I've run,
To this I am clinging
You are always enough, Jesus always enough,
You are always enough for me

You love me, with a love that is unfading,
With a love that is unchanging,
No matter what I've done
It's higher than the skies above,
Wider than the universe,
O how great your love

You would leave the ninety-nine to find the one
Run towards the wayward son
This is who you are King of love
You would leave Heaven's throne for the cross
Give your life to rescue us,
This is who you are King of love
