Fórmanos, creanos, moldéanos, transfórmanos

A ser como Tú, a movernos

A Tu gracia y Tu compasión

Toma el control Dios, de mi corazón

En nosotros, ven con Tu voluntad

Tu voluntad Señor

En nosotros, forma Tu corazón

Tu corazón Señor

Muévenos, guíanos, envíanos, libéranos

Al herido, al hambriento

Al marginado y al cansado

Toma el control, Dios, de mi corazón

(Quiero) amar lo que Tú amas

Odiar lo que Tú odias

Mientras formas en nosotros

Un corazón lleno de gracia

Y extender misericordia

Y traer la libertad

Liberar al prisionero

Abrir los ojos de los ciegos

Triunfante sobre el juicio

Es Tu misericordia
