Sometimes I feel like I'm falling, sometimes I feel higher than the stars

Sometimes I can hear You calling, sometimes I feel lost.

But then I lift my eyes up, I see where I belong

Sometimes I feel weighed down by this treasure, when I think of all You've done just
for me
Sometimes there's so much to discover, sometimes I see the cost
But when I lift my eyes up, I see where I belong

E Emaj7 E Emaj7 Amaj7
Life is just a journey home, then I will be with You
E Emaj7 E Emaj7 Amaj7
Life is just a journey home, when I will rest with You
