

SKIN & BONES

Nigel Briggs: lyrics
Trent: music

A
Skin and bones without You
A
Heaven knows where I'd be with You
D
As I look to the heavens
A
Then I see how Your beauty surrounds me
A
I won't let go of Your hand
A
Won't be swayed by all that this world has
D
I will look to the heavens
A
And I'll see how Your beauty surrounds me
D
Oh I will lift my eyes to the heavens

A
God knows all my hope and dreams
D/A
God knows, He sees every need
A
God knows, sees the joy, feels my pain
D A
God knows, God knows, God knows

You're my strength in the darkest night
You're my way, my heavenly light
So I look to the heavens
And I see how Your beauty surrounds me
