

# **SPECIAL**

Sarah Pickering

**We can clap and click, wave and shake**

**Catch and throw, pick up and make**

**We can use our fingers 1, 2, 3**

**To help us count things easily**

**And in some ways we are all the same**

**But God made everyone of us**

**He loves every one of us**

**And He says every one of us...is special**

**We can jump and stamp, walk and hop**

**Run around or on the spot**

**We can laugh and cry, frown or smile**

**Dash about or rest a while**

**And in some ways we are all the same**

**But God made everyone of us**

**He loves every one of us**

**And He says every one of us...is special**
