

O LITTLE TOWN OF BETHLEHEM

D Em
O little town of Bethlehem,
G A D
How still we see thee lie!
D Em
Above thy deep and dreamless sleep
G A D
The silent stars go by.
F#m Em
Yet in thy dark streets shineth
G A
The everlasting light;
D Em
The hopes and fears of all the years
G A D
Are met in thee tonight

D
What can I bring to you?
Bm7 G2
Simply a song of love and boundless gratitude
D
My whole life for you
Bm7 G2
Had I riches, I would bring them
D A/C#
Had I kingdoms, I would lose them
Bm7 G2 D A
Had I the world, too small a gift would it be for you
