

Promises of Wonder

Sam Yoder

**God, Your love meets my heart like a song
And it echoes on and on
In bitter cold, winter's storm
Your melody comes
Sets my feet on the path leading home**

**You've dropped Your love in my heart like a stone
And it ripples on and on
Though the dark stretches far
One thing I still hold
That You never have left me alone**

**Behind me, before me
Wherever I go Your love enfolds me
Over and under
You wrap me promises of wonder**

**God, Your love keeps my heart like a home
It perfects me on and on
In far places through the ages
My story will tell
Of a Father whose love never fails**

**In the darkest place
When death closes in
All Your promises
Are yes and amen**

**To the fatherless
Your love rushes in
All Your promises
Are yes and amen**

**Always and only
The mark of Your love will be my glory
My Father, my treasure
In time and eternity forever**
