

Sing His Praise

Sam Crabtree

We have seen His love
From the depths He's calling us
Our death is overcome
By His life
The darkness has to run
From the fire who lives in us
He shines brighter than the sun
He is light

He has come like He promised
Healing floods are pouring on us
Love has come
We will sing His praise

His love can't be contained
His heart cannot be tamed
His Spirit is a flame
Burning on, burning on

He has come like He promised
Healing floods are pouring on us
Love has come
We will sing His praise
We are one when He is near us
Deep in love, soaked in His goodness
He is here
We will sing His praise

Pull back the veil
Let us see You more clearly
Open our eyes
To the sight of Your glory
We know You're here
And we wanna feel Your heartbeat now
