

# **Still I Sing**

Glen Yoder, Peter Hurtgen

**Oh love that rescued me  
Blood that set me free  
Son of God my friend  
Who rescued me from death**

**My life's song shall be  
Gratefulness to thee  
From these lips I'll sing  
Of Jesus Christ, my King**

**So let the fires burn low  
And let the seas run dry  
And let the winds blow cold  
Still I'll sing of Your love  
Your everlasting love**

**Splintered flesh and bone  
From the cross You hung  
You bore my sin and shame  
Behind the stone You lay**

**But death He trembles still  
At the One He could not hold  
Three days in death  
In victory arose**

**Through all my darkest times  
Your love has shone on me  
And oh how I find  
Your love's so wild and free  
And free**
