

# **We Can Sing**

Adam Russell

We can sing  
Even when our hearts are breaking  
Even when everything's shaking  
You're our song

We have joy  
Even when the tears are falling  
Even when troubles come calling  
You're our delight

'Cause we've got a love that never lets us down  
It holds us safe and sound  
A love that never falters  
We've got a song that we can always sing  
An endless melody  
A song that we can live by

God, you are  
Strength to the weary and broken  
A Savior that we can hope in  
You hold our life

You have won  
Victory over death and darkness  
You've thawed out the cold and heartless  
You are our King

And even in the valley  
The valley of the shadow  
We will not fear 'cause  
You are there

And even when the floodgates  
Open up with sorrow  
We will not lose heart  
Cause You are there
