

# THE BRIDEGROOM

JEREMIAH CARLSON

Steady four ♩ = 75    *Intro: A Asus A Asus (A Bm/A G/A D/A A - 2X) Bm G D A*

A                      (A)                      Bm      G                      D      A  
The Spirit (2nd X: Jesus, He) comes and beckons us, Come Away

   Bm      G                      D      A  
Yes, we respond and we'll follow You to the secret place

(A)                      Bm                      G                      D                      A  
These hearts are groaning and we just can't help but say, We long for Your sweet embrace

   A                      Bm                      G                      D                      A  
Let us only catch a glimpse of Your beauti - ful, glorious face      (Yeah!)

A                      Bm      G                      D                      A  
Behold the Bride - groom, He's dressed up in pure white

(A)                      Bm      G  
And His body bears the marks of an eternal love

D                      A - last X: End                      (A)      Bm      G      D      A  
On His hands, feet and His side,                      and we're the bride - 1st and last X only

*Repeat VERSE 1 and CHORUS*

A                      Bm      G                      D                      A  
We are His belov - ed, the one for whom He was crucified

   Bm                      G                      D                      A  
With the power of His love He'd overcome the grave to become one with His bride

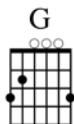

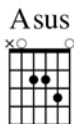

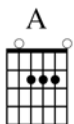

   Bm      G                      D                      A  
And we're the bride, and we're the bride, and we're the bride, and we're the bride

   Bm      G                      D                      A  
You've won Your bride, You've won Your bride, You've won Your bride, You've won Your bride

(A)                      Bm  
We sing la, la, la, sing la, la, la

G                      D                      A  
We sing la di da di da, we sing la di da di da (6X)      Last X: We sing la la la

*Repeat CHORUS*
