

# What Can I Bring

Jeremy Riddle

This is my song to you  
A melody of thanks for you  
An expression of wonder  
An expression of wonder

No other cry have I  
Than to know you more and lift you high  
Oh, God of infinite glory  
Above all you are worthy

What can I bring to you  
Simply a song of love and boundless gratitude  
My whole life for you

You've rescued me from death  
Given me your kingdom  
And blessed me with your love  
Countless mercies from above

Had I riches, I would bring them  
Had I kingdoms, I would lose them  
Had I the world  
Too small a gift it would be for you

Esta es mi canción  
De gratitud y adoración  
Es un canto de asombro  
De tu gloria y resplandor

Mi único clamor  
Es conocerte a ti Señor  
Oh Dios de gloria eterna  
Sobre todo te adoro

Que te podré traer  
Solo un canto de amor y  
gratitud  
Mi vida eres tu

De muerte me has librado  
Me diste tu reino  
Tu amor y bendición  
Tu gracia me cubrió

Si tuviera, te daría  
Todo el oro y los reinos  
Aún el mundo  
Muy pequeño sería para lo  
que mereces tu
