Introduction: G G/F C G

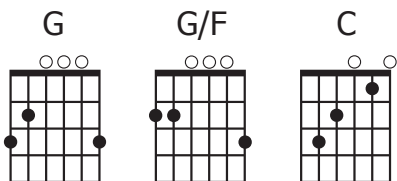

G G/F
I want to run away, find a place quiet to pray
C G
A place that's lonely where I can find You only

The desolate calls, the wide open space
G/F
Where the noises that drown Your voice dim away
C G
And I'm weeping, inundated with love

G G/F C
Always I am waiting, and always anticipating Your love
(C) G
It's all my heart can think of
G G/F C
Always I am waiting, and wanting to remain in this love
(C) G
It's all I want to drink of

G G/F
Come to me, be not far off, give ear to my words and speak back Your heart
C G
There is nothing I want more than this

G G/F C G
Always, always, always waiting for You
G G/F C G
I'm always, always waiting for you, waiting for You
