

BRINGING THE WORLD TO LIFE

Capo Version

FRAN PRATT

♩=72

Introduction: G

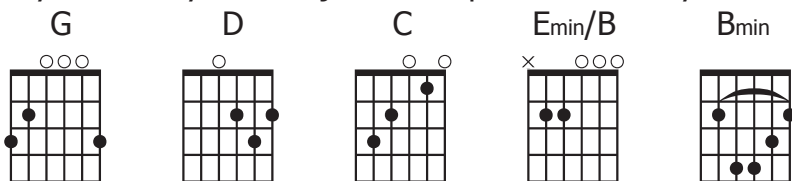

May the life that flows from You flow in me
May the joy that comes from You come to me
May the light that shines from You shine through me
May the love that pours from You pour out of me

You're bringing the world to life
Showing us what it means to live
In You we live and move and breathe
You are bringing the world to life.

May I be Your hand reaching to feed the hungry
May I be Your touch comforting those who mourn
May I be Your foot that walks in dark places
May I be Your voice speaking grace and peace

Oh Jesus let us change the world with Your peace
Oh Jesus let us bring the nations to Your feet
Let us walk alongside You as You bring the world around us to life, to life

Play in the Key of G Major and Capo 1 for the Key of A \flat Major.
