

# **CLOSE**

JEREMY RIDDLE & BOB HARTRY

**I long to know You more rightly  
I long to see You more clearly  
Won't You show me more and more of You  
No longer to simply see in part  
The fullness of Your grace  
The wonders of Your heart  
May I be so bold and ask of You  
May I ask**

**Here I am crying  
Before You I am kneeling  
I am filled with desperation  
To be close to You  
Rend the veil of my confusion  
All my doubts and disillusionments  
Draw me close and keep me still there  
In awe of You, in awe of You**

**In awe of You, to see more of You  
So much more of You, God  
I must see more  
I must see more**
