

# Endless

Jeremiah Carlson, Mia Fields, Stuart Garrard

**I'm on a journey, and I long to find  
Something for the yearning that I feel inside  
Your word is a whisper, but it shakes my heart  
And I'm lost in the wonder of all You are  
So lost in the wonder of all You are**

**How deep, how high, how vast, and how wide is Your love  
It's endless, endless**

**I've stood on the mountain of victory  
And I've crawled through the valley on my hands and knees  
One thing never falters, though the seasons change  
Your arms are around me and I can't escape**

**The more and more I search for You, the more I find  
That nothing else can satisfy  
The more and more I come to You, just as a child  
The more and more and more I find**
