

# **I WANT TO BE CHANGED**

STEPHEN LAMPERT

## **VERSE 1**

He has made us to overcome by His love  
He has washed away our fears with His blood  
I wanna be changed by this love  
I wanna be changed by His blood

## **CHORUS 1**

This is more than a feelin'  
This is a way of livin'  
We are changed by this love  
We are changed by His blood

## **VERSE 2**

He has made us to share His love with the world  
He has given us this hope to heal broken hearts  
I wanna be changed by this love  
I wanna be changed by His blood

## **CHORUS 1**

(2X)

## **BRIDGE**

**Woh, woh, woh, woh**

**Woh, woh, woh, woh**

**And I wanna shout from the rooftops  
And I wanna sing 'til my heart stops  
And I wanna shout from the rooftops  
And I wanna sing 'til my heart stops (2X)**

## **CHORUS 2**

**And I wanna give what I've got to the whole world  
I don't wanna live this American dream  
I wanna be a child of God  
I wanna be a child of the King (2X)**

## **CHORUS 1**

**This is more than a feelin'  
This is a way of livin'  
We are changed by this love  
We are changed by His blood**
