

It Will Be Alright

Crispin Schroeder

Key of C

C C/E

Why do I worry 'bout tomorrow

F C

When all I've got is this day

F C

Why am I anxious about the clothes that I wear

G G7

And where it is I will stay

C F C

I remember how my life is held in your hands

F C

And you never let me go

F C

So when anxieties come to take life from me

G F G F

I get still and know that you won't let go

F C

I look at the flowers, I look at the fields

F C G

The splendor and beauty of the world in your care

F Am

The birds in the trees and their song fills the sky

F G C/E F G C

And I know It will be alright, And I know It will be alright

It's so hard to live in this moment

When worries keep calling my name

But why do I fear when your presence is near

Keeping me safe all the way

I don't have to fear for the future

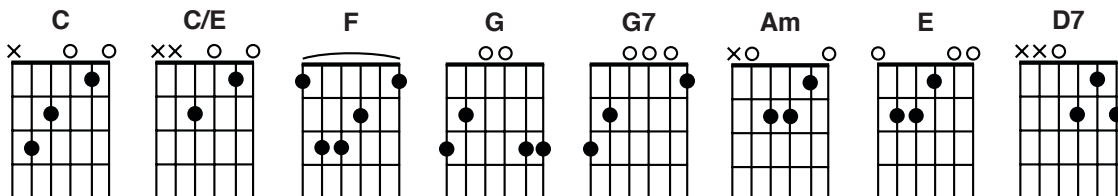

Or seek treasures that rust and decay

For your love remains through the joy and the pain

And you give me what I need today

Yeah you give me what I need today
