

# Love Has Come, Love Has Won

JESSE MEYER and JEREMIAH CARLSON

Driving four ♩ = 120      *Introduction: B (4 bars), B Bsus B Bsus F# E B*

**B**  
Your hands, Your face, Your feet, broken and bruised for me

F#      E                      B

You were the perfect, spotless Lamb

**B**  
The nails, the crown, the cross, all for the sake of what was lost

F#      E                      B

You bore the sin of every man

G#m                      E                      B                      F#  
And how great was the cost, so that we could be called redeemed

G#m                      E                      B                      F#

How great was the work, when You rose victoriously

B                                      G#m                                      E                      F#  
With a shout, You said it's finished, death and sin have been defeated

B                                      G#m                                      E                      F# (B)

And now we stand victorious, love has come, love has won, (love has won)

**B**  
The veil was torn apart, with the last beat of Your broken heart

F#      E                      B

You made the way to the Father

**B**  
In three days You rose again, conquering death and sin

F#      E                      B

You're coming again in victory

*Repeat PRE-CHORUS 1X; Repeat CHORUS 2X; Repeat PRE-CHORUS 2X*

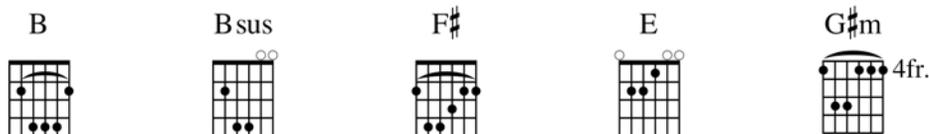

**B Bsus                                      B                      Bsus**  
You rose victoriously

*Repeat CHORUS 2X*

G#m                      E                      F#                      B  
Yeah, love has come, love has won (yeah, we receive it)

G#m                      E                      F#                      B

'Cause love has come, love has won
