

# LOVE LIFTED ME

JOHN BARNETT

**Never was a love so strong  
As the love that called my name  
Never was a love so fierce  
As the love that took my shame**

**Never was a love so true  
As the love that shed His blood  
Never was a love so wide  
As that precious crimson flood**

**Oh my, my Hallelujah,  
His love has lifted me  
Oh my, my, His love has lifted me**

**As high as the heavens  
As deep as the sea  
As wild as a river  
Is my Savior's love for me  
Oh my, my His love has lifted me**
