

# OH LORD

Rik Leaf

A (have fun with an "A" chord)

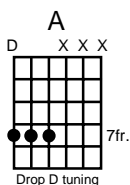

I was in the valley of the shadow  
The Son was blocked from view  
When I felt come around me all the darkest nights of hell  
As my strength began to fail me and I gave up on life  
I saw my Saviour fill the sky  
With a thousand points of light  
As I sang

Oh Lord where are You now my King?  
Oh Lord where are You now my peace?  
Oh Lord come and rescue me  
Oh Lord Spirit shelter me

I'd searched in the house of love  
But there was no love to be found  
I felt the awful desperation start to pull me down  
The thought that no one cared and I was destined to be alone  
Until Jesus turned and heard my prayer  
And taught me how to sing  
So I sang

When I say that I can't make it  
Well I can't make it on my own  
I'm craving a piece of the promise from tomorrow for today  
I know the heart of a soul without the will to live  
So Jesus spill Your love for me  
And hear me when I sing

One day  
One day I'm gonna sing it  
One day
