

REVIVAL

JEREMIAH CARLSON

**And Lord, this is our song
You'd awaken the hearts of Your people
We repent and turn to You once again
Your Spirit cries, "Oh, come alive!"
Yes, this is our prayer
That the church would rise into her destiny
That through Your body
A broken land would be set free
So we proclaim, yes we proclaim and sing**

**And I feel this cry rising up inside me
It's a prayer of truth to change the nations
That sends the orphaned to the Father
They'll never be the same
They'll never be the same
It's a stirring up inside the body
A revolution in our hearts
From a revelation in His love
That cause us to rise, to shout and proclaim**

**We were made for such a time as this
When every knee will bow and tongue confess
Jesus Christ for who He really is
Revival, revival**

**And the hearts of generations will be won
To the love, the Father, Spirit and the Son**
