

# SHOW ME THE WAY (Guitar Version)

Kim McMechan

We thought we'd give you this the way it was written because it's simpler than it seems. All chords using a number for a name are the same fingering, only using that fret.

F# G#m 9

I see the road ahead

F# G#m 9

But I don't know if I can carry on

F# G#m 9 F#

So strengthen me and I will run

G#m 9

Into Your arms

11 13 9

Oh oh I just can't live without You

11 13 9

Oh oh That's what I like best about You

I've got to leave this world behind

It's growin' weary on me

My feet are heavy, Heaven help me

I'm callin' Your Name

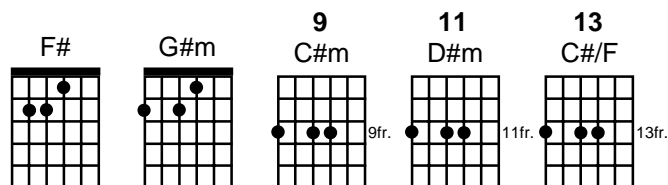

F# G#m 9

Show me the way (3x)

11 13 9 F#

I've got to find my way somehow

Capo on 2nd fret
