

# **THE RIVER IS HERE**

ANDY PARK

Down the mountain the river flows  
And it brings refreshing wherever it goes  
Through the valleys and over the fields  
The river is rushing and the river is here

The river of God sets our feet a-dancing  
The river of God fills our hearts with cheer  
The river of God fills our mouths with laughter  
And we rejoice for the river is here

**THE RIVER IS HERE** - continued

The river of God is teeming with life  
And all who touch it can be revived  
And those who linger on this river's shore  
Will come back thirsting for more of the Lord

Up to the mountain we love to go  
To find the presence of the Lord  
Along the banks of the river we run  
We dance with laughter giving praise to the Son

# **THERE MUST BE MORE**

DAVID RUIS

Lord I groan, Lord I kneel  
I'm crying out for something real  
'Cause I know deep in my soul  
There must be more

Lord I'm tired, yes I'm weak  
I need Your power to work in me  
But I can't let go  
I keep hanging on  
There must be more

There must be more  
There must be more

River flow, fire burn  
Holy Spirit breathe on me [Repeat]

# **WILL YOU WORSHIP**

BRIAN DOERKSEN

Deep in my soul is a tug of war  
I'm struggling to know what this life is for  
And I try so hard to stay in control  
To hold back the tears to not let go

And I don't know why I hang on so long  
When I know the question You are asking me

Will you worship  
Will you bow down  
Before your Lord and King  
Will you love Me  
Will you give Me your heart  
Your everything

# **YAHWEH**

ANDY PARK

Yahweh Yahweh

Ancient One yet You're here today

Ageless One Changeless One

Showing love to all generations

Show us Your glory oh Lord

Let Your goodness pass before us

Right before our eyes

And we will worship

And we will bow down

And we will call You Lord

And we will kneel before

The maker of the universe

And we will call You Lord

Yahweh Yahweh

Faithful One You have shown us the way

Through the years through all our lives

You have shown You are faithful to the end
