

# **PEACE**

CASEY CORUM

**Peace, Your peace surrounding me  
The storm has passed, now I can breathe  
When words are gone and I've nothing left, You're near  
When I'm undone, You're oxygen, I'm breathing You in**

**Peace, Your peace surrounding me  
Perfect rest envelops me  
When all of life comes crashing down, You're close  
I hear Your voice break through the noise  
Now my heart knows**

**Peace, Your peace so sweet  
My burdens down at Your feet  
My soul finds rest  
How I need Your peace**

**Grace, such grace releasing me  
From the wrongs I've done and what's been done to me  
My prison door is locked no more, I'm free, I'm free  
This crushing shame You lift away  
In my soul's release**

**Peace, Your peace so sweet  
My burdens down at Your feet  
My soul finds rest  
How I need Your peace**

**Breathe in peace, breathe out strife  
Breathe out death, breath in life  
Breathe in love, breathe out hate  
Breathe out fear, breathe in faith**
