Save this world from all that aches it

F **C**
Heal this world of all that breaks it

Am
Come and re-plant Eden's splendour

F **C**
Come restore us to the center

Am **C**
Christ alone, you can do all this

Am **C**
Christ alone, you can do all this

C
Only Christ alone

C **Am**
Mend the broken-hearted praiser

F **C**
Lead us back into your favour

Am
Take the widow, hold the orphan

F **C**
Bring us close, restore our portion

Am **C**
New, you make all things new

F **C**
New, you make all things new
