Verse 1:

C   F   C
God, how beautiful Your Holy Word
      F   C   G
That formed the worlds in such goodness

O, the shame that we would spurn it all
    F   C   G C
To turn and fall into darkness

God, we'll sing how through Your Son You turned
This loss and hurt into glory
How when scorned in death You raised Him up
His gain's become the whole world's story

Chorus:

           Am   F   C
Let all things rise and bless Your name
           Am   F   G
All things made right and new again

O Lord our God, Your goodness
  F   C
Is free and boundless
  F   C   G   C
Is reaching endless through it all

All things once sown in weakness

You raise in promise
  F   C   G   C
Your beauty arches above it all
