

All The Saints

Tim Brown

Verse 1:

**All the lost and broken hearted
All the weak and near forgotten
All the burdened and oppressed
Find rest in His arms**

**All the wealthy and the proud
All the rulers and the kings
All the victims of our nature
Find freedom in His wings**

Chorus:

**Come all the saints
All the lovers of His name
For Christ has made a way
And calls us now to sing His praise
(We sing His praise)**

Verse 2:

**All the faithful and devoted
All the humble and lowly
All in need of a Savior
Our God is here, He is here**

Bridge:

**All who gather in darkness
All imprisoned and enchained
We know our God has defeated the grave
And none can stand against**
