

Through It All

Tim Brown, Anabeth Morgan

Verse 1:

**Out in the distance Your love awaited
A world in desperate need
What once was hidden now freely given
For all the world to see**

Verse 2:

**In my weakness Your love persisted
My soul in desperate need
The weight was lifted, my sin forgiven
You came and rescued me
You came and rescued me**

Chorus:

**Through it all Your love has found a way
Through it all Your light poured out to save
Through it all Your mercy overcame
Through it all Your love has found a way**

Verse 3:

**Now through Your Spirit alive and present
You love has captured me
You are the answer, You are the Savior
You've set the captives free
You've set the captives free**

Bridge:

**Your love is shining ever brighter
Your love is the fire, burning in my soul, my soul**
