

When We Call Your Name

Geno Olison, Tina Colón Williams

Verse:

**You say no weapon formed against us will prosper
You say that there's no need to fear
Though all our enemies encamp all around us
Your name can make them disappear**

Chorus:

**Who can dare stand against us
When we call Your name
We know we can count on You
We know that You will come through [repeat]**

Bridge:

**For You are able to deliver
You are mighty to save
A strong tower we can run to
There is power in Your name (in Your name)**
