

LOVE

SAMUEL LANE

Oh, when I'm still, I hear your heart, I hear your heart
Hold me close, hold me near, my fear departs, my fear departs

Oh, is it true? (after bridge: Oh, yes it's true)
You love the world and gave your only Son
So whoever believes, when all is gone
Will love and laugh and live for eternity

Oh, when I leave, I fall apart, I fall apart
I can't live, I can't breathe, you have my heart, you have my heart

I feel the innocence, oh I feel the innocence
I feel the difference, oh I feel the difference, I feel the difference
You are the difference, you are the difference
I feel the difference
