

God With Me

Marcus Hathcock, Mitchell Maldonado, Andrew Douglass

Verse 1:

**In the chaos You are calling, calling me to rest
I hear You whisper words of healing, louder than my mess
Show me the way to go
In this wilderness**

Verse 2:

**When I wander in my weakness, show the road to home
When I'm lost You are my refuge, shelter in the cold
Through the noise Your voice reminds me
I am not alone**

Chorus:

**With every step you will be
God with us, God with me**

Verse 3:

**Who am I that You would love me, calling me by name
Maker of the earth and heavens, here with me today
I will sing of all Your goodness
Now and all my days**

Bridge:

**Above my doubts, above my fears
You never leave my side
All my life and even now
You never leave my side**
