

FALLING AT YOUR FEET

DAVE MILLER, KAT REGESTER, JONNY BIRD

I'm falling at your feet
Pouring my worship out
I've tasted and I've seen
You're goodness

I'm happy here on my knees
Moved by your love and mercy
Humbled by just a glimpse
Of you're goodness

I will worship you
With every breath I have
Jesus you alone are worthy of it all
I will worship you
Pour my affections out
Jesus you alone are worthy of it all

I love you, with all my heart
I love you, with all I have
I love you, with everything, everything

I love you, with all my strength
I love you, sing it again and again
I love you, I'll sing it through tears, sing it through tears
