

# Be Still

## Verse 1:

In times of joy, in times of peace  
In times of sorrow, in times of grief  
Your still small voice can speak so clearly

## Bridge:

I am waiting  
I am listening  
Until my heart knows  
Your presence with me  
(2x)

## Verse 2:

When darkness comes and I'm afraid  
When I'm alone and lost my way  
Still your voice speaks so clearly

## Refrain:

You are with me, You are with me  
You are with me, You are with me  
You are with me, You are with me  
You are with me, You are with me

## Chorus:

I will be still and know You God  
Let go lean in to this mystery  
I can't explain such perfect peace  
I will be still and know

## Verse 3:

You are my shield, You are my strength  
Your constant presence, my heart's  
defense  
Your perfect love drives away my fears
