

JESUS I NEED YOU

JAMES TOAL

When I am lost you come and find me
When I am down you lift my head
Jesus I know you are for me
Oh my Lord Emmanuel

Jesus I need you
Jesus I want you more and more
You've lifted my burdens
So I can come closer than ever before

Even when life overwhelms me
Even when shame robs what you said
I know your voice will surround me
Oh my Lord, Emmanuel

Take my heart and make me new, Jesus
All I ever wanted was you
Take my heart and make me new
All I want is you, all I want is you
