

# Jesus Beautiful

Yoder/Wilt

## Verse 1

Jesus, you are God come near us  
God here living with us  
God within our reach  
God's fullness dwells in You made like us  
All God's strength in weakness  
God embracing need

## Chorus:

Jesus, beautiful  
Jesus, beautiful  
Jesus, God with us

## Verse 2

The wonder, you so plain and humble  
Should be God's joy and wisdom  
God's own heart revealed  
Filled with all God's fullness  
God in every reach

## Bridge:

Seeing Your face, seeing Your face is seeing God  
Hearing Your voice, hearing Your voice is hearing God  
Seeing Your face, seeing Your face is seeing God  
Hearing Your voice, hearing Your voice is hearing God
