

DEEPER

Written by Chloe Edmonds

Deep into the heart of God, there's a door
Deep into the heart of God
Let's go deeper
Let's go deeper in

Deep inside wells of God, there is more
Deep inside the wells of God
Let's go deeper
Let's go deeper in

You are calling, you're inviting
We'll follow where you're going
One foot forward, deeper waters
We'll follow where you're going

With your Spirit, always moving
We'll follow where you're going
Through the testing through the blessing
We'll follow where you're going
