

I AM GOD

Jodie Alexander-Frye

Come, meet with me  
Let your heart be quiet and still  
Come, know my voice  
Come, make a choice to be quiet and still

You run, you move, you rush around  
I long to slow you down, to draw you near  
I have the voice of thunder  
But I want to whisper in your ear

Be still and know  
Be still and know  
That I am God

Come, understand  
I hold the world's troubles in my hands  
Come, tune your heart  
Come fix your thoughts upon me, who I am

You run, you move, you rush around  
I long to slow you down, to draw you near  
I have the voice of thunder  
But I want to whisper in your ear

Be still and know  
Be still and know  
That I am God

Who else commands the rain?  
Who ushers in the dawn?  
In heaven and upon the earth,  
Who reigns?  
Who spoke and made the light?  
Whose hand can part the sea?  
Who brings the dead to life?  
I am Yahweh

I am, I am, I am, I am God  
I am, I am, I am, I am God
