

# YOU ARE GOOD GOOD GOOD

**JAMES PITCHER**

**Key of F, capo 1 (E shapes)**

## Chorus

E                                        A                                        C#m                        B  
 You are good good good good, good good good good, good good good and you love me  
 E                                        A                                        C#m                        B  
 You are good good good good, good good good good, good good good it's true  
 E                                        A                                        C#m                        B  
 You are good good good good, good good good good, good good good and you love me  
 E                                        A                                        C#m                        B  
 You are good good good good, good good good good, good good good it's true, I love you

## Verse

C#m                                        A  
 If I feel lost and in the dark  
   E                                        B/D#  
 I know I'm in your heart  
 C#m                                        A  
 When I'm hurt and need a friend  
   E                                        B  
 I know you're with me 'til the end

## Pre-chorus

A            C#m                        B  
 Cos if I ever start to doubt  
 A                                        C#m                        B  
 There just one thing I have to shout

## Bridge

E  
 Good, strong, loving, kind,  
 A  
 Light, the love I'll always find  
 C#m  
 Hope, help, hero King  
 B  
 Stronger than any thing  
 E  
 Wise, bright, perfect sight  
 A  
 Closest friend, highest height  
 C#m  
 The first, last, middle, end  
 B  
 Your size I cannot comprehend  
 E  
 And best of all you set me free  
 A  
 When on the cross you died for me  
 C#m  
 You're everything in life to me  
 A  
 And this is what I sing
