Original Key: E | Chosen Key: E | Tempo: 53.00

{Verse 1}

Our rights and our freedoms, our flags and our kingdoms
All of our idols must bow
Our wars and our weapons, our worldly possessions
All of our idols must bow

{Chorus}

You have our yes
Let our lives confess, and say, 'Jesus is Lord'
We'll take up the cross
1. No matter the cost, we say, 'Jesus is Lord, He is Lord'
2. No matter the cost, we say, 'Jesus is Lord'

{Verse 2}

Our selfish ambition, for pow'r and position
All of our idols must bow
Our fearful reactions, and constant distractions
All of our idols must bow

{Bridge}

(We'll say) Jesus is Lord
Our joy is to walk beside Jesus our Saviour
To love those who hate us, embracing our neighbours
To lay down our lives for the poor and the needy
The cross is our call and our only allegiance
To Jesus our Lord
To Jesus our Lord
Jesus is Lord, Jesus is Lord
Jesus is Lord, Jesus is Lord

{Verse 3}

Our holy commitment, in body and spirit
To honour You Jesus as Lord
Our love and affection, our time and attention
Lord You deserve it all
Lord You deserve it all
Lord You deserve it all
