A Great Light

Ryan Delmore

C#m A
Lost and alone in the darkest of nights
E B
Look to the east, yonder it shines
C#m A
All of us here have seen a great light
E B
Have seen a great light

Follow the star, 'til it rests in the sky
Now He appears in front of our eyes
All of us here have seen a great light
Have seen a great light

E B C#m A E B A
Wonderful, Counselor, Mighty God, Prince of Peace
E B G#m A
Hope of all hopes and dream of all dreams
C#m B A (B A)
A Child is born changing everything

Be not afraid of this beautiful sight
God become flesh, this is the Christ!
All of us here have seen a great light
Have seen a great light

(CHORUS)

B E A E
Come let us adore Him
B C#m A E
Bow our hearts before Him
