

# Now's the Time

Katrina Hedén & Andreez Hedén

## Verse 1

Now's the time to watch and pray;  
Holy Spirit, come, empower us today!  
And so we wait.  
Come Spirit, move and saturate!

## Verse 2

When He comes, the holy One,  
We lay down our lives and say; Your will be done.  
And so we wait.  
Our Father, Let Your kingdom come!

## Chorus

Holy Spirit, come!  
Make us sing as one oh Lord  
We worship you  
We follow you  
We glorify your name
