Verse 1

I bless the lord for he is my counsel
On darkest nights he will comfort me
I love his name, for he goes before me
From the heaviest chains he will set me free
In the valley of the shadow I fear no evil
It is the Lord who shelters me
In the wildest winds I hear him speaking:
"I am the Lord and I am your peace"

Chorus

In the middle of the night or brightest day
I will set my heart on what is true
Whatever may come or pass away
I will lift my voice and sing to you

Verse 2

I bless the lord for he is my counsel
On darkest nights he will comfort me
I love his name, for he goes before me
From the heaviest chains he will set me free

Chorus 2

In the middle of the night or brightest day
I will set my heart on what is true
Whatever may come or pass away
I will lift my voice and sing to you
Yes I will lift my voice and sing to you

Bridge

Holy, holy, holy, holy
Holy, You are holy
Holy, You are holy
Holy, You are holy
Holy, You are holy
