{Verse 1}

Who brings the dead to life
Who gives a hope to the desperate ones
Who tears away the night
And draws the orphan to his arms

You make the weakened strong
You make the broken whole again
You give the prodigal
A welcome home that never ends

This is the gospel
This is your kingdom breaking in
This is the gospel
This is our inheritance

This is the gospel
This is the song that never ends
This is the gospel
This is our deliverance

Oh..... this is the gospel
We give you the highest praise
We'll sing it out for all our days
