

## **Who You Are**

Written by Jon Solway, Beth McNeil, Rich di Castiglione

### Verse 1:

Though the earth shakes and the seasons change  
All I've known is falling out of its shape  
In the chaos and uncertainty, I put my trust in Jesus  
People fall and leaders come and go  
And the future holds so many unknowns  
When I'm faced with what I can't control, I put my trust in Jesus

### Chorus:

You won't change your mind or walk away  
Through highs and lows you stay the same  
Your constant love will never fail  
I know, that is who you are

### Verse 2:

When the tears fall and my heart breaks  
And it feels like more than I can take  
In my battle with anxiety, I put my trust in Jesus  
When I'm feeling like I'm all alone  
Start to question if I'm really known,  
When I doubt my true identity, I put my trust in Jesus

### Bridge:

When the world is shaking me, shaking me  
I remember what you say, what you say  
You're the one who steadies me, steadies me  
Jesus it's who you are
