{Verse 1}

I've tried so hard but it's never been enough

It's never been enough

I've searched for more and nothing satisfies

Nothing satisfies

{Chorus}

Freely You give Your love

A love unconditional

I'm(We're) learning to open up

And let it overflow, (let it overflow)

{Verse 2}

I'm letting go, so I open up my hands

I open up my hands

You meet me here And You fill me up again

You fill me up again

{Bridge}

What we receive we give it away

So let it overflow

{Tag 2}

There's nothing I can do

There's nothing I can say

That could ever turn Your love away

{Tag 3}

Let it overflow

I open up my hands

Would You fill me up again

FREELY YOU GIVE
