Hernandez, Morgan, D Ruis, T Ruis

Original Key: E | Chosen Key: E | Tempo: 65

{Verse 1}

When all was dark, you spoke the light  
Your goodness formed the world  
We chose the fruit of suffering  
Oh how we need

{Chorus}

Shalom, shalom  
Tu paz llena el vacío  
Cristo estás aquí

{Verse 2}

You wrapped Yourself in flesh and came  
Into this broken world  
Now all creation sings Your name  
As You restore the world

{Bridge}

Your peace  
Your peace is here  
Tu paz  
Tu paz aquí

{Verse 3}

The leopard and the lamb lie down  
This peace will know no end  
You are the light that fills this world  
You fill the world

{Tag}

The leopard and the lamb lie down  
This peace will know no end
