Vineyard Worship

Brown, Corum, Cullen, Morgan

Original Key: A | Chosen Key: A | Tempo: 102

{Verse 1}

We come waiting to see You
We sing longing for breakthrough
The kingdom of Heaven your glory is our motivation
We know
With Your life and Your presence within us
We come alive

{Verse 2}

We see Your spirit is moving
We trust You know what You're doing
The God of creation is moving with no hesitation
We stand
With Your life and Your presence within us
We come alive

{Chorus}

We come alive
We come alive
With Your life and Your presence within us
We come alive

{Bridge}

This is resurrection, resurrection life
Running from the darkness straight into the light
Death is not my future, the old is crucified
This is resurrection, we come alive
