```
{Verse 1}
F#m7
                     B4
                          G#m
                                               A2
   Before my life began,
                             You always had a plan
F#m7
                        B4
                             G#m
                                                      A2
   To take this broken heart
                                  and make it whole
{Verse 2}
F#m7
                  B4
                        G#m
                                               A2
   Abandoned and alone,
                            I had no place to go
F#m7
                        B4
                             G#m
   But now You welcome me
                                into Your home
 A2
               G#m
                     A2
   You make me whole
{Chorus}
 E/G#
       Α
             B/D#
                     Ε
Adop - ted, adop - ted
     C#m
           Bsus4
                         A2
               ted, I'm Yours
I'm adop
     E/G#
            Α
                       B/D#
Once or - phan, now cho
    B/D#
           C#m
                Bsus4
                     ted, I'm Yours
I'ma -
           dop
{Verse 3}
F#m7
                      B4
                           G#m
                                                  A2
   Pouring out Your grace,
                              You gave Your Son away
                       B4
F#m7
                            G#m
   So that my broken heart
                                could be made whole
A2
                G#m
   And now I'm whole
Repeat Chorus:
{Bridge}
    F#m
           C#m7
I'm Yours, I'm
                  forever Yours
    G#m
Not just for today, You won't walk away
    F#m
           C#m7
                  В
I'm Yours, I'm
                   forever Yours
            G#m
You call me Your child, You won't change Your mind [Repeat]
